

## Did You Know....

That the Art Museum of South Texas hosts birthday pARTies for children ages 2 and up? We provide the instructor, supplies and art activity for 1 hour, you provide the children! The second hour is reserved for refreshments and presents. Because, after all, what's a pARTy without ART?! Household membership is required.

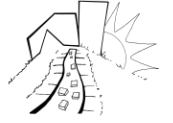

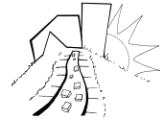

That Moms & Tots classes will resume its normal schedule of the 2nd and 4th Thursdays of the month in late August?

That with a Household Membership to the Museum, you get major class discounts, free entrance to the Museum anytime you want, a discount in the Gift Shop and so much more!

# YOUNG at art camp 2017

Please enroll my child in the following sessions of camp.

Each session: \$10 members / \$20 nonmembers

- July 10, 2017: **MAY THE ARTS BE WITH YOU...**  
(drawing, painting, 3-D art/creative drama)

Calling all space explorers! Join us as we create our own planet collage, make an alien self-portrait, sculpt a moon "rock" and more on this epic space adventure! We'll also enjoy storytelling and creative drama games, including going on a space walk!

- July 11, 2017: **Motion in the Ocean**  
(painting, collage, 3-D art/movement and music)

Join us as we take a dive into the deep, mysterious blue! We'll create seascape paintings, make a jiggy jellyfish and more. Then we'll use movement and music to bring our favorite sea animals to life.

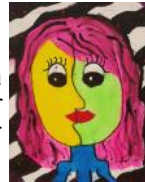

- July 12, 2017: **JURASSIC ART**  
(printmaking, mixed media/improvisation)

We're learning about prehistoric creatures in this dyno-mite session as we make our own fossils and use printmaking techniques to "discover" a new dinosaur. Storytelling & drama games will complete our morning.

- July 13, 2017: **WHO ART YOU?**  
(drawing, painting/imagination stations)

It's all about self-portraits as we draw, paint and create a collage of ourselves, our likes and dislikes. Then we'll use our imaginations in some pantomime and improvisational skits for some wild and wacky fun!

- July 14, 2017: **IT'S HIP TO BE SQUARE**  
(geometric shapes/reader's theater)

It's all about squares and other geometric shapes in this "hip" class. We'll use paper squares to create a mosaic portrait and even create a 3-D paper collage! In drama, we'll participate in a reader's theater skit for all to enjoy!
